- School Counseling (MA)

MASTER OF ARTS PROGRAMS

Master of Arts Degree Requirements

- The general requirements for admission to MA programs in the School of Education are stated in the Graduate Programs portion of the Admissions and Academics section of this bulletin.
- Students must submit GRE scores prior to consideration of regular admission.
- Students wishing to enter either of the counseling programs described below must apply both to the university and to the Department of Educational and Counseling Psychology.
- All other program requirements are stated in the description of each program.
- Because of the sequential nature of the Community Counseling and School Counseling programs, students must begin class work during summer or autumn semesters. These 48 credit programs may be completed in two years of full-time study.
- The 30 credit program (MA: Educational and Developmental Psychology) may be completed in one year of full-time study.
- Students in the Counseling programs are required to attend a minimum of eight weekly personal counseling sessions during the first semester of enrollment. These sessions may be arranged with the university's Counseling and Testing Center or in the public sector by a licensed therapist. A letter verifying the completion of these eight sessions is required by the end of the first quarter. Continuation in the Community Counseling and School Counseling programs is based upon a periodic review by the department faculty of the student's academic performance and personal qualifications as a counselor.
- A 600-hour supervised internship is required in both the Community Counseling and School

Students wishing to pursue preliminary certification as a school psychologist in the State of Michigan while obtaining an EdS degree should consult with their adviser before formulating their programs.

Certification requires a 1200-hour supervised internship meeting approved minimal standards as set by the National Association of School Psychologists (NASP) and National Council for Accreditation of Teacher Education (NCATE). Usually School Psychology interns work 30 hours per week for one school year (approximately 40 weeks) under the supervision of a fully certified or licensed school psychologist.

Continuation in the School Psychology program is based upon a periodic review by the department faculty of the student's academic performance and personal qualifications as a school psychologist.

DOCTORAL DEGREE PROGRAMS

General admission requirements for doctoral degree programs in the School of Education are stated in the Graduate Programs and the Academic Information portions of the Admission and Academic Information sections of this bulletin. In addition to these requirements, applicants for admission to doctoral programs in the Department of Educational and Counseling Psychology must complete an interview with the department chair, at least one other faculty
