MTH: MASTER OF THEOLOGY

Roy E. Gane, *Director*

The Master of Theology is an academic degree that provides the opportunity for full-time specialized study beyond the Master of Divinity degree. The MTh degree requires a minimum of 32 credits of 500-, 600-, and 800-level courses. The purpose of the MTh degree is to provide specialized training in a major area of study with a cognate area closely related to the major area of emphasis. MTh students are advised by the chair of the department, or his/her appointee, and the director of the MTh Program. The MTh degree is offered in the following areas of emphasis with the required language noted:

Christian Ministry: Greek or Hebrew*

Church History: Greek or Hebrew*

New Testament: Greek

Old Testament: Hebrew

Theology and Christian Philosophy: Greek or Hebrew*

World Mission: Greek or Hebrew*

*If Latin or another ancient language is substituted for Greek or Hebrew, the student must have taken Greek and Hebrew at the MDiv level.

Admission to the MTh program is recommended to the program director by the department offering the applicant's desired area of emphasis. To be eligible for admission the student must hold a Master of Divinity degree (or its equivalent) from the Seventh-day Adventist Theological Seminary or another approved seminary or university with a final grade point average above 3.00 (on a 4.00 system), provide evidence of ability to engage in academic postgraduate study by supplying an acceptable research paper in the area in which further work is to be pursued, and demonstrate language proficiency in the following areas:

Applicants to the MTh degree program must demonstrate advanced-level competence in either Greek or Hebrew as noted in the table above. The required competence may be demonstrated either by examination or by passing an advanced-level course in the chosen language with a grade of B or better.

Applicants to the MTh degree program must demonstrate (either by examination or by class work—FREN505 or GRMN505) a reading ability in either French or German (unless the language is the student's native and regularly used language).

Any language substitutions must be warranted by the student's program. Such substitutions require the approval of both the department chair in the area of emphasis and the MTh Program Director.

Students should complete the language prerequisites before beginning the program. If the prerequisites are not completed before the beginning of the second semester, the student is not permitted to continue his/her work in the program.

Applicants must also complete and return the Sixteen Personality Factor Questionnaire as directed.

A Applicants must submit those items specified in the Graduate Programs Admission section of this bulletin on p. 47, and the general Seminary admission requirements on p. 331. In addition, they should submit transcripts of MDiv course work.

D. Requirements

In addition to the scholarship standards in the Graduate Programs Academic Information section of this bulletin (p. 51), students must fulfill the following requirements for the MTh degree program:

- Complete a minimum of 32 credits (including 8 credits for thesis but not including language prerequisites) with a cumulative GPA of 3.00 or above.
- Take GSEM620 (to be done the first time the course is offered after enrollment in the program if the student has not previously taken this course or its equivalent).
- Select a major area of emphasis from among those listed above and complete 16 credits in that area.
- Select a cognate area from those listed above and complete 6–8 credits in this area which supports the area of emphasis.
- Take sufficient electives, if needed, to complete the 32-credit program.
- Take a 5- to 8-hour written comprehensive examination either toward the end of the student's final semester of course work or during the semester immediately following completion of course work. Normally, this examination is prepared by two faculty members from the department offering the area of emphasis (two sections totaling 75% of the examination) and a faculty member from the department offering the cognate area (one section constituting 25% of the examination). These examiners are appointed by the emphasis-area department; notification of the appointment is sent to the Program Director.
- Complete a 8-credit thesis.

If the student fails to pass the comprehensive examination, he/she is allowed to rewrite the section or sections failed (with new questions) after adequate time for preparation as determined by the chair of the department offering the major area of emphasis in consultation with the examiners. A failed examination may be retaken once. If the student fails a second time, he/she is asked to withdraw from the program.

A report of the examination results (and of any retake results) is sent by the department chair in the major area of emphasis to the MTh Program Director who notifies the Dean of the School of Graduate Studies of these results.

All students seeking an MTh degree must

- Complete a 8-credit thesis. The program director, upon recom-

~~pletion of the thesis, will submit a report to the Dean of the School of Graduate Studies.~~
