Students who receive financial aid from state or Federal funds must be aware that any change in the number of credits taken during each semester may affect the amount of financial aid they can receive. A smaller number of credits lessens the amount of aid. The amount of aid hereby forfeited must be returned to the aid fund. Likewise, a complete drop means that aid funds be returned, depending on the date of the complete drop. The rules controlling such refunds to the aid fund(s) are determined by the U.S. Department of Education and are used for all Title IV recipients nationwide.

Federal Title IV Aid Programs. After use of the Federal formula, funds are returned in the following order for students who drop all their classes:

- Federal Perkins
- Federal Pell
- Federal SEOG

Students who do not meet the SAP policy at the beginning of the school year are observed on a semester basis. Changes in GPA due to completion of "incomplete" or "deferred" grades or changes made for any other reason are considered when aid eligibility is reviewed at the next regular monitoring time.

At the beginning of each school year, students are placed into one of the following categories on the basis of the previous year's academic performance:

Satisfactory Progress. Students who meet all regulations outlined in the Satisfactory Academic Progress policy and new students beginning their academic work at Andrews University with the minimum GPA required for regular acceptance qualify as making SAP.

Probation. Students who fail to meet all regulations outlined in the SAP policy are placed on probation for one semester. During the probationary semester, students are eligible to receive financial aid as awarded. Performance during the probationary semester determines whether aid is given in following semesters. If students raise their overall GPA to the required minimum (see minimum AU GPA table above) and reach the minimum number of successfully completed credit hours required (two thirds of all hours attempted), they are returned to satisfactory progress status. Students who fail to reach the minimum required standards are no longer eligible for financial aid and their aid is ended. Students placed on probation are encouraged to contact their academic dean for assistance.

Termination of Aid. Financial aid benefits are ended after the 5th semester (see 27.0112(failed), c/T1_1 1 Tf 8.5 1TJ minimumis faare retur10(e)1(ended)1(aft)10(er)1(t

Loan must sign the loan note before leaving for Newbold. When a loan is approved, proceeds are credited directly to the student's account at Andrews University. A check equal to the student's credit balance at Andrews University is sent to Newbold College for deposit to the student's account.

Students planning to attend Newbold College may also be eligible for Federal and State financial aid if they:

- . Meet Andrews University's Satisfactory Academic Progress policy.
- Û & R P S C H R V L V H K D Ö R M K M L R U B I D O S H W R J U D P (usually the equivalent of two academic semesters) at Newbold. Students attending Newbold are not eligible for Federal campus-based aid (Federal Work Study, Federal Perkins Loan, Federal Supplemental Educational Opportunity Grant), nor for Andrews University scholarships and grants.

Application Procedures. Students should follow the procedure outlined below to apply for financial aid for enrollment at Newbold College.

- . Complete the Free Application for Federal Student Aid (FAFSA) form indicating Andrews University as the first college of choice to attend and mail it to the address listed on the FAFSA.
- . Complete the Andrews University Financial Aid Application Form indicating intention to enroll at Newbold College and mail the application form together with both the students' and their parents' Federal tax returns to the Student Financial Services Office at Andrews University.

All students planning to attend Newbold College must meet the university's March financial aid priority deadline. Students who miss the deadline may experience difficulty in having aid posted to their account when they need it. Students are advised to complete the entire financial aid process before leaving the U.S.

Andrews University has established guidelines for aid-eligible students planning to attend Newbold College, Bracknell, England. The United States and the Michigan Departments of Education require that students receiving Federal and/or State aid be dually enrolled at a stateside school and pursuing a program of study at that school for which study abroad would be an enriching experience.

Student Missionary and Taskforce Worker Academic Credit/Loan Deferral Program

To enable students to participate in the Student Missionary and Taskforce volunteer service programs, especially students who have borrowed funds under the William D. Ford Federal Direct Loan or Federal Perkins Loan, Andrews University has a special academic loan deferral program for U.S.-citizen and permanent-resident undergraduate students. This program allows student borrowers to remain in loan-deferment status (student loan repayment is postponed) while keeping student status with either a non-credit continuation course or independent study courses arranged before leaving Andrews. The following guidelines apply:

While away, students may choose either Continuation or Independent Study.

- . Continuation Study
 - a. All Andrews Student Missionary or Taskforce workers must register (before leaving for service) for IDSC or IDSC Student Missionary/Taskforce Experience for each semester they plan to be away. Students are charged a semester recording fee, of \$. Students that have not completed any Andrews credits must pay the recording fee up front. (AU

students are students that have applied, been accepted and have an AU ID number.)

- b. Students receive a non-credit continuation entry on their grade for each semester.
- c. During this time financial aid is not available.
- . Independent Study
 - a. Students that have completed one term at Andrews are eligible to register for undergraduate credits each semester (a total of credits) at the reduced tuition rate, of \$ per credit. This does not include Griggs University courses.
 - b. In consultation with the appropriate academic dean, students must develop an individualized list of courses for which they register that will apply toward general education requirements, majors, minors, emphases, or electives as approved by the dean.
 - c. For each course in which they are registered, students work with a teacher before leaving to identify the course requirements. They must remain in regular contact with the teacher during the time spent off-campus.
 - d. Students will receive a deferred grade (DG) for each course. Upon their return from service, students must contact the course teacher and complete all requirements within one semester after the date of return from service.
