## MORE ABOUT THE COURSE

### US Credit-Hour Regulations

For every semester credit, the Andrews University credit hour definition requires that:

Courses for professional masters' degrees (e.g. MDiv) include 15 instructor contact hours and 30 hours of independent learning activities.

Courses for academic masters' (e.g. MA [Religion]) and all doctoral degrees include 15 instructor contact hours, and 45 hours of independent learning activities.

The calculation of hours is based on the study skills of the average well-prepared graduate student. Students weak in these skills: 1) may require more time and should consider taking fewer classes each semester; and 2) can find skill development assistance through the Seminary Study and Research Skills Colloquia, the AU Writing Center, and AU Student Success office.

In order to achieve the outcomes of this course, learning time will be distributed as follows:
