## THE LAW

For employees that are not normally eligible for health care cove (radjenct faculty, contract, temps, student employees) the Employer Shared Responsitivity in the Affordable Care Act (ACA) attes that we are required to measure their hours of service over earload it ime ("measurement period"—AU will do at 2-month period). If during the measurement period is determined that they have worked fulline (30 hoursor more per week—ACA definition), we must offer them the AU employee healthcare cover termination ex requirement. Subsequent employment years a

- o Adjunct faculty: we will use a 3:1 formula (there may be exceptions), therefore adjuncts are limited to teaching less than 10 credits per semester
- o Temporary hourly staff: employment limited less than 30 hours per week (there may be an allowance to allow 30 hours or more if working less than 3 months)
- x Student Employment
