

BOOK REVIEW

THE PRACTICE OF ADAPTIVE LEADERSHIP: TOOLS AND TACTICS FOR CHANGING YOUR ORGANIZATION AND THE WORLD

By Robert Kegan and Lahey, David (2009)

Reviewed by Thomas Gyuroka

150-151 in the book, in the first chapter, the authors discuss the importance of adaptive leadership. They argue that leaders must be able to adapt to changing circumstances and to the needs of their followers. This is a key theme of the book, and it is one that is explored in depth throughout the text. The authors provide a number of practical tools and tactics for developing adaptive leadership skills, and they offer a range of examples of how these skills can be applied in the workplace and in other settings. The book is a valuable resource for anyone who is interested in leadership and in how to lead effectively in a complex and rapidly changing world.

The text in this section is extremely faint and largely illegible. It appears to be a collection of scattered characters and symbols, possibly representing a corrupted or very low-quality scan of a document. Some faint words like "C", "A", and "B" are visible, but the rest of the text is unrecognizable.
